Curriculum Review Cycle

Year 1 — **Phase 1**

Comprehensive Needs Assessment & Curriculum Review

Pedagogy

Are we implementing current best practices in teaching?

Resources

How do our current resources meet our current and future needs?

Student Achievement

What does the data say about where students are succeeding or struggling?

Does our needs assessment show a need to purchase new curricular resources?

Does our needs assessment show a need to revise our current scope and sequence?

No

Cycle complete

Yes

No.

Cycle complete

Yes

Purchasing Recommendation

Review New Curricular Materials and make purchasing recommendations

Scope and Sequence Review

Revise Unit Plans according to results of the Needs Assessment

Year 2 — **Phase 2**

Curriculum Purchases

Curriculum purchase recommendations will be given to the Director of Curriculum, Instruction, & Assessment. Purchases will be made through the Curriculum office and distributed to the schools. The Department Heads will coordinate all distribution of materials to the staff. Purchases will be made over the summer at all times whenever possible.

Years 2-4 — **Phase 3**

Implementation

Professional development to implement new curricular resources and/or New Scope and Sequence

Years 5 — **Phase 4**

Evaluation

How well does the new curriculum meet your current and future needs?

After year 5, return to Phase 1 for next Curriculum cycle.
