After the meeting there will be an opportunity to tour the Cartamundi plant. This will provide a look at some their of the safety precautions they have in place to prevent hazardous chemical spills or releases.

Local Emergency Planning Committees have four basic functions by law:

- 1. To develop a comprehensive emergency plan (CEMP) for the community and keep the plan up-to-date;*
- 2. To receive information about accidental releases;*
- 3. To collect, manage, and provide public access to information on hazards chemicals in the community;*
- 4. To educate the public about risks from accidental and routine releases of chemicals and work with facilities to minimize the risks.*
