Call to order and Chair Announcements	Meeting called to order by Chair, Sarah Perez McAdoo at 4:35 p.m.
Public Comment	
<b>Old Business</b>	
Prevention Needs Assessment Survey	Lena provided information regarding available funds to survey 8, 10, and 12 <sup>th</sup> graders, and the possibility of including 6 <sup>th</sup> graders. Electronic surveys cost approximately \$2.50; paper surveys would cost approximately \$2.25 per survey. This cost includes Bock Harrison report. Surveys can be pre-purchased; however, Bock Harrison services cannot be pre-purchased. The services of a grad student and/or 'John' to help with the analysis may be helpful, and is available. Survey would take on average 45 minutes per child. Bock Harrison Survey allows for customization; provides clean, raw data that can be queried as needed; and allows for comparison within the area, state, and nationwide. Next Steps - Karen will attend the April 5, 2018, School Leadership Meeting.

**Motion to adjourn by Karen Robitaille, seconded by Sarah Perez McAdoo, out of necessity, meeting was adjourned at 5:25 p.m.**
