

TOWN OF EAST LONGMEADOW

Town Manager's Report

May 25, 2021

Good evening:

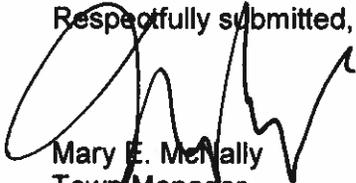

In consideration of tonight's agenda and my brief absence from the office last week, my report is considerably abbreviated tonight.

Major news this week is the Governor's announcement regarding the lifting of Covid restrictions as of May 29, 2021. My scheduled plan for reopening Town buildings will be adjusted (accelerated) and the details will be publicized as soon as they are finalized. The Council on Aging reopened on May 17, 2021 and was a happy occasion for those seniors who returned to participate in activities and socialize with their friends, neighbors and staff.

The Recreation Department's first Farmer's Market on Friday, May 14, 2021 was a huge success. Many additional vendors have already reached out with requests to participate in future events.

Labor negotiations are ongoing with various employee Unions.

Respectfully submitted,

Mary E. McNally
Town Manager
