

# How to access the Town's GIS System

The GIS system will allow you to look up your Property Map and Property Record Card

Go to the East Longmeadow Town Website – [www.eastlongmeadowma.gov](http://www.eastlongmeadowma.gov)

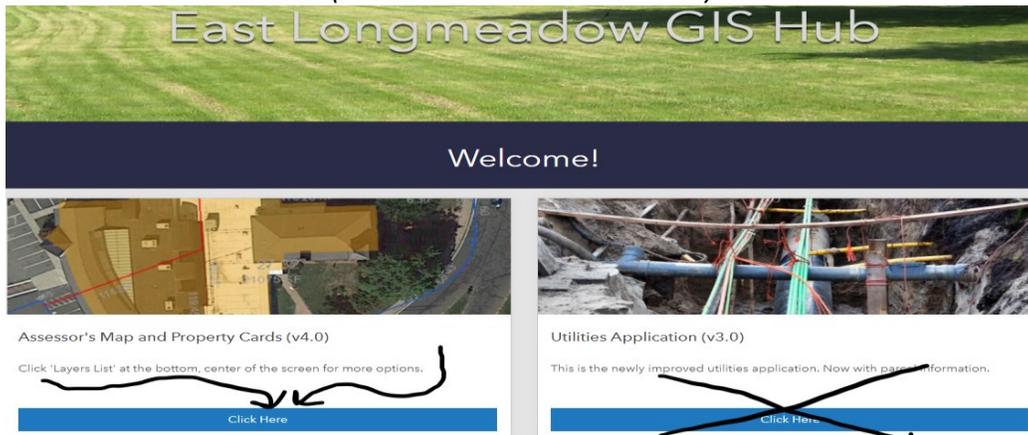

Click on the Property Information Button – (circled in white below)

This will bring you to the EL GIS Hub

Click on the Assessors Map and Property Cards

(see below with black arrows)

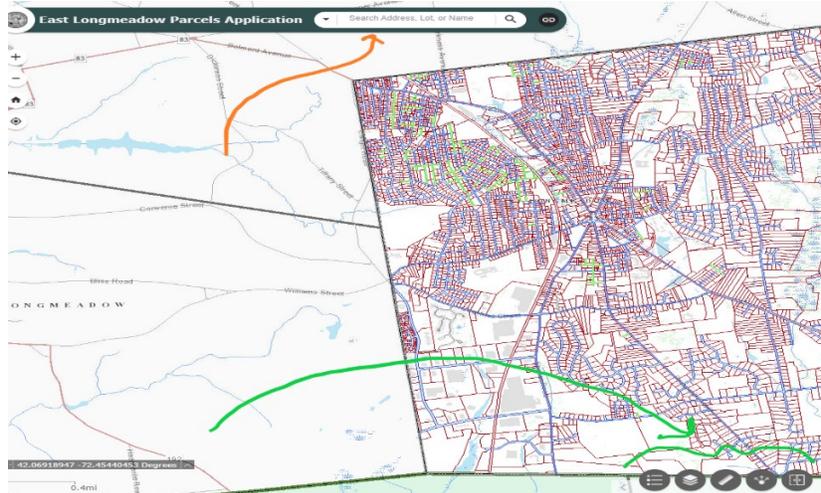

1. Read & Click on "I agree to the above terms and conditions"

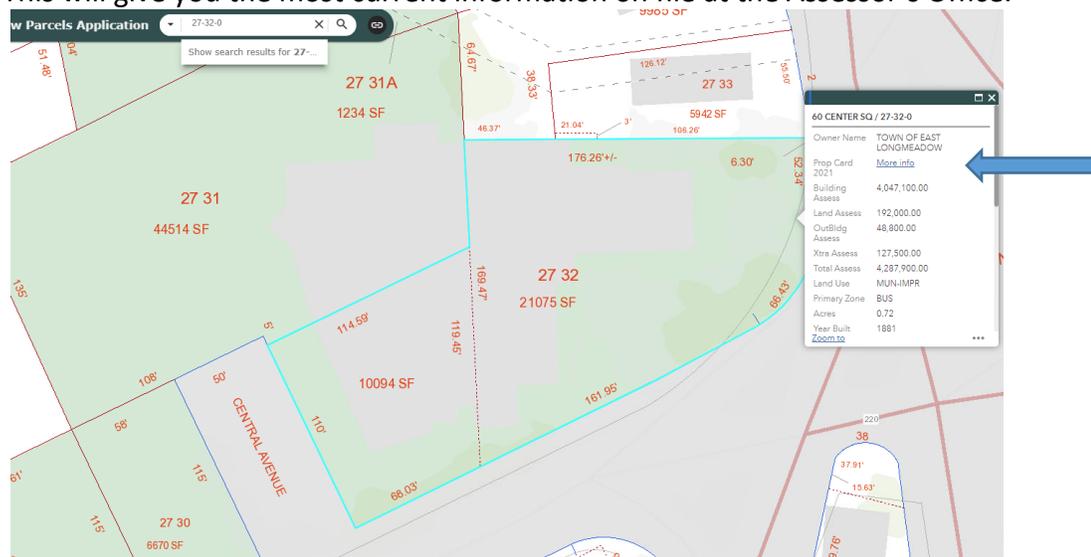

2. Click on OK (see arrows in red)

Type in the property address or parcel ID in the Search Bar (see orange arrow)  
Additional information can be found by clicking on icon options (see green arrow below)  
Click on Layers List at the bottom for more options

Below you will find an example of information on the Town Hall at 60 Center Square  
Note the parcel is highlighted and a pop up box appears with property information.  
To access the Assessor Property Record Card - click on more info (see blue arrow below).  
This will give you the most current information on file at the Assessor's Office.

New for 2021-Nearmap Imagery: Click on the Layer Icon (circled in yellow below)  
Click the Nearmap Imagery (see yellow arrow)

If more information is needed please feel to contact the Assessor's office at 413-525-5400 ext. 1600  
Please note the setup display may differ depending on the device you are using.
