NOTICE OF FILING AND REQUEST FOR COMMENTS

D.P.U. 26-29

March 13, 2026

Petition of Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid, for Approval of their 2026 Energy Efficiency Reconciling Factors for effect May 1, 2026.

On February 27, 2026, Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid (together, "Companies"), filed with the Department of Public Utilities ("Department") a petition seeking approval of their 2026 Energy Efficiency Reconciling Factors ("EERFs"), effective May 1, 2026. The Department docketed the Companies' petition as D.P.U. 26-29.

An EERF collects additional funds for approved energy efficiency programs when the cost of implementing those programs exceeds other funding sources. See G.L. c. 25, § 19(a). The Companies propose the following EERFs for effect May 1, 2026: (1) 2.463 cents per kilowatt-hour ("kWh") for residential customers; (2) 2.463 cents per kWh for low-income residential customers; and (3) 0.514 cents per kWh for commercial and industrial ("C&I") customers. The proposed EERFs are designed to: (1) collect costs associated with the Companies' 2026 energy efficiency program implementation in excess of other funding sources; and (2) reconcile expenses and revenues from the previous year's program implementation.

If the Department approves the 2026 EERFs as proposed, the Companies state that customers will experience the following bill impacts:

- a typical residential customer (R-1) using 600 kWh of electricity per month will experience a monthly bill decrease of \$1.00 (or approximately 0.4 percent);
- a typical low-income residential (R-2) customer using 600 kWh of electricity per month will experience a monthly bill decrease between \$0.29 to \$0.68 (or approximately 0.4 percent), depending on low-income discount tier;
- C&I customers will experience a monthly bill increase ranging from 2.0 percent to 4.3 percent, depending on load zone and usage. For specific bill impacts, these customers should contact the Companies as shown below.

Any person interested in commenting on this matter may submit written comments no later than the close of business (5:00 p.m.) on **April 8, 2026**. The Department strongly
