RACE & ETHNICITY

Why are these questions being asked?

The Commonwealth of Massachusetts has established statewide goals for improving health care quality and reducing racial and ethnic disparities in health care. HNE wants to do our part to remove any barriers to fair and unbiased treatment for all of our members. By collecting information about your race and ethnic background, we may be able to identify possible issues that affect the care or treatment you receive. HNE will then be able to work with our provider community to address any issues. We appreciate your assistance in this effort.

This information is designed for the purpose of data collection and will not be used for determining eligibility, rating or claim payment. HNE keeps this information confidential according to our policies and state and federal law.
