

A message from EAST LONGMEADOW PUBLIC SCHOOLS

Good evening,

I am contacting all ELPS families and staff with an important update. Governor Baker today ordered that all schools remain close until April 7th in order to continue to slow down the spread of Covid-19. The East Longmeadow Schools will remain closed now until April 7th in accordance with Governor Baker's order.

We will be working on a way to support our students with some continuous learning during this time that the schools are closed. More information on this will come out this week.

To ELPS staff: please monitor your e-mail because there will be updates on how we will be working together and supporting each other and our students.

During this time, all of us can continue to practice healthy habits and practice social distancing. Together we will get through this challenge.

Please stay safe!

Sincerely,

Gordon Smith

Superintendent of Schools.
