

A message from EAST LONGMEADOW PUBLIC SCHOOLS

Good Afternoon,

I am contacting all ELPS families and staff with an important update. Governor Baker this afternoon extended his order that all schools remain closed until May 4th in order to continue to slow down the spread of Covid-19. The East Longmeadow Schools will remain closed now until May 4th in accordance with Governor Baker's order.

The East Longmeadow Public Schools will continue the outreach to our students and families that we began last week. All school districts are working closely with the Commissioner of Education in order to receive additional guidance during this time. More information should be coming from the Department of Elementary and Secondary Education in the next day or two. We will update our staff and families as we receive this information.

Please continue to support each other and stay safe!

Sincerely,

Gordon Smith

Superintendent of Schools.
